Advantage Management Group Announces New Acquisitions in Harper Woods, Roseville, and Port Huron.

Acquisition Brings Total AMG Post Acute Care Sites to 8

SOUTHFIELD, MI, JANUARY 12, 2015: Advantage Management Group (AMG) (www.amgltc.com) announced the purchase of Henry Ford Continuing Care Center-Roseville and Henry Ford Continuing Care Center-Belmont from Henry Ford Health System for \$12.8M on January 1, 2015. The locations in Roseville and Harper Woods will be re-named Advantage Living Center-Roseville and Advantage Living Center-Harper Woods respectively and will provide rehabilitation and skilled nursing care with specialties focused on orthopedic, cardiology, and dementia services. In addition to these rehabilitation centers, AMG announced the acquisition of Harrington Inn, an Assisted Living Center in October 2014.

Co-owner Reginald Hartsfield stated, "We are excited to add these three new locations bringing our portfolio of post acute care facilities to 8 sites. This expansion allows us to cover a greater service area as we continue to adapt to the changing healthcare market. We look forward to working with and serving the residents, family and staff in these communities."

Advantage Living Center-Roseville is a 169-bed rehabilitation and nursing center located in Roseville, MI. Advantage Living Center-Harper Woods is a 151-bed rehabilitation and nursing center located in Harper Woods, MI. These centers provide 24 hour short-term care after surgery or illness as well as long term care for residents who can no longer live on their own due to medical conditions.

Harrington Inn, a nationally registered historic site in Port Huron, MI, has apartment accommodations for 72 residents. Services include 24 hour, 7 day a week support staff, medication management, activities, and meals.

"As a registered nurse with a long history in senior care, I have a passion for helping people achieve their most independent living situation possible - whether that is providing rehabilitation and/or medical care with the goal to discharge home or providing a home like environment for people to live in long term. Adding the assisted living to our family, gives us the capacity to care for people across the continuum and meet their needs in the best setting possible", commented co-owner Kelsey Hastings.
